

CAREER NEWS

Friday 13 March

Experience La Trobe University

Experience La Trobe is designed especially for Year 10, 11 and 12 students and their parents to get a taste of what it is like to be a university student for a day and get the inside scoop on what really happens after high school. Students may participate in workshops of their choice, find out about student life and also check out the **Melbourne campus**, including student accommodation. University students and staff will be there to help participants out and answer any questions that might arise. **Experience La Trobe** is a *free* event - with lunch and entertainment provided!

Date: Friday 9 April 2015
Time: 9.30am - 4.30pm
Venue: Melbourne Campus

To register, visit [Experience La Trobe Melbourne](#), or email study@latrobe.edu.au for more information.

To find out about the dates and times of *Experience La Trobe* at its other campuses, visit [Experience La Trobe](#)

Pathway to Medicine at Bond University

Students who graduate from the *Bachelor of Biomedical Science* at Bond University with the **Pre-Health Professional major** and meet the minimum required GPA, may be eligible to enter the second year of the Bond Bachelor of Medicine Bachelor of Surgery program. The selection process will be based on GPA, performance on GAMSAT and an interview, with offers made once results and the final GPA becomes available. Up to 5 places in Year 2 will be reserved for the Bond Biomedical Science (Pre-Health Professional major) graduates. Students should please note current MBBS requirements still apply.

The Bond Bachelor of Medicine Bachelor of Surgery program is only open to Australian citizens, Australian permanent residents, holders of an Australian Humanitarian Visa and New Zealand citizens. **For more information about**

the *Bachelor of Biomedical Science* course, visit [Bachelor of Biomedical Science](#)

Profiling the CAPSTONE Program at Swinburne

Capstones are final-year projects that provide students with a professionally focused learning experience which allows them to put learnt theory into practice.

These experiences not only prepare students for their future careers and for successful employment after graduation, but also represent a wonderful resource for industry and organisations. Students get the opportunity to work on projects that are based on real-world challenges.

Capstone units are available in the following degrees -

- **Business**
- **Information & Communication Technologies**
- **Journalism and Media**
- **Design**

Find out more by clicking on [Capstone Program](#)

Nutritionists and Dietitians

Dietitians and nutritionists are both food and nutrition experts.

Nutritionists study and provide advice about dietary habits to encourage the achievement of a healthy lifestyle.

Nutritionists may have a high level of contact with the public. To become a nutritionist students usually have to study nutrition, science or applied science at university with a major in nutrition. Student membership is available with Nutrition Australia or the Nutrition Society of Australia. **For more information, visit [Nutrition Society of Australia](#).**

Dietitians apply the art and science of human nutrition to help people understand the relationship between food and health, make healthy dietary choices and prevent and treat illness and disease.

Dietitians may also generally have a high level of contact with the public. To become a dietitian students usually have to study a degree in dietetics accredited by the Dietitians Association of Australia. **For more information visit [Dietitians Association of Australia](#).**

It is important to note that in Australia all dietitians are considered to be nutritionists; however, nutritionists without a dietetics qualification cannot take on the specialised role of a dietitian.

Victorian universities offering courses in nutrition, food science and/or dietetics include:

UNIVERSITY	COURSE	VCE PREREQUISITE SUBJECTS	± ATAR - 2015
Deakin	Food & Nutrition Sciences	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English	69.85 (Melbourne)
	Food & Nutrition Sciences/ Commerce	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English	71.75 (Melbourne)
Federation	Food & Nutritional Sciences	Units 1 and 2: satisfactory completion in two units (any study combination) of any Mathematics or Units 3 and 4: any Mathematics	n/a (Mount Helen)
La Trobe	Applied Science/Dietetic Practice	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English; and a study score of at least 25 in two of Biology, Chemistry, any Mathematics, Physical Education or Physics.	93.40 (Melbourne)
	Human Nutrition	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English; and a study score of at least 25 in two of Biology, Chemistry, any Mathematics, Physical Education or Physics.	65.85 (Melbourne)
Monash	Nutrition & Dietetics (Honours)	Units 3 and 4: a study score of at least 35 in EAL or at least 30 in any other English; and a study score of at least 30 in Chemistry.	91.45 (Clayton)
	Nutrition Science	Units 3 and 4: a study score of at least 35 in EAL or at least 30 in any other English; and a study score of at least 25 in Chemistry.	76.60 (Clayton)
RMIT	Food Technology & Nutrition	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English; and a study score of at least 20 in any Mathematics	65.05 (City/ Bundoora)
	Food Technology/Business Management	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 20 in any Mathematic	83.05 (City/ Bundoora)
	Food Technology/Engineering - Chemical (Honours)	Units 3 and 4: a study score of at least 30 in EAL or at least 25 in any other English; and a study score of at least 20 in Chemistry; and a study score of at least 20 in one of Maths: Mathematical Methods (CAS) or Maths: Specialist Mathematics.	87.95 (City/ Bundoora)

Victoria	Food Science	Units 3 and 4: a study score of at least 25 in EAL or at least 20 in any other English	n/a (St Albans)
	Human Nutrition	Units 3 and 4: a study score of at least 25 in EAL or at least 20 in any other English	57.10 (St Albans)

Students are encouraged to browse www.vtac.edu.au for a comprehensive list!

Guaranteed Entry - New for 2016

The University of New South Wales (UNSW) is introducing a *Guaranteed Entry* Scheme for 2016 admission to UNSW. Simply put, *Guaranteed Entry* allows students to know what ATAR will guarantee them a place in a particular degree at UNSW. Students can click on the link below that to a booklet that lists those ATARs as well as addressing some frequently asked questions that will provide students with more details on what is involved, and how these ATARs have been calculated.

Click on [Guaranteed Entry](#) and read through the useful FAQs at the end of the booklet!

Join us and experience **A Day at Melbourne**

This special event is designed for Year 10 to 12 students and their families. You are invited to come and explore our vibrant Parkville campus and find out more about the range of study options available at Australia's number one university*.

Hear from current students about what it's like to study at Melbourne, and attend tailored sessions to learn more about entry requirements, course structures and other opportunities available to Melbourne students.

A tour of our Southbank campus will also be included in the program for those who wish to visit the Victorian College of the Arts.

This event is ideal for international or domestic students, whether you're studying locally, interstate or in regional Victoria. It's a great opportunity to gather information and talk to University staff about all aspects of studying and life at Melbourne.

FIND OUT MORE ABOUT

- Undergraduate degrees and graduate pathways at Melbourne
- Unique opportunities to enrich your degree such as concurrent diplomas and going on exchange and study abroad
- Admissions and entry requirements
- Access Melbourne and Melbourne Scholarships
- Accommodation options
- How parents can help with the transition to university.
