News from Monash University

➤ Pathways to Education, Science, Business and Nursing

The following pathway courses allow domestic students who may not reach the required ATAR or meet the prerequisites, to gain entry into Monash:

The [Diploma of Tertiary Studies \(DoTS\)](#) and the [Diploma of Higher Education \(DoHE\)](#) are both equivalent to the first year of a university undergraduate degree and allow students to transition to the second year of their destination degree.

Applications can be made through VTAC and students will be required to submit a **Monash University Supplementary Information form** 31 December 2016 if they wish to apply for one of the pathway programs. This form is the student's opportunity to outline their motivation to study, career goals and work experience.

	➤ <u>MADA Design Workshops</u>	

During the September school holidays, **Monash Art Design & Architecture (MADA)** will be running a few workshops for Year 11 and 12 students who intend applying for courses that require folios or pre-selection tasks. Examples of such courses are *architecture, visual arts, communication design*, etc. These workshops are designed to assist students in working on their folio in one of the MADA studios, gain some insider tips on the process, and spend some one-on-one time with the MADA lecturers. Students can even take part in a practice interview. Students can choose one of the following four workshops: ***Fine Art / Visual Arts OR Communication Design OR Industrial Design OR Interior Architecture*** running on Monday 26 and Tuesday 27 September, from 9.15am – 5.00pm at a cost of \$150 per person.

Students considering studying **Architecture** might like to attend a one-day workshop on Tuesday 27 September, from 9.15am – 4.30pm at a cost of \$75 and discuss strategies for tackling the pre-selection activity.

Bond Now App

Bond Now is a tool that allows prospective students to explore the campus and facilities of Bond University from anywhere in the world. Unlike a standard walk-through or campus map, the tour is 360 degrees, so students can fully immerse themselves in the environment and feel as though they are actually on campus. When demonstrating **Bond Now** the university wants the user to be able to explore the campus according to their own interests. The menu allows users two options: students can choose to select and enter each location individually, or they can choose the campus tour function. By selecting the campus tour button in the top left of the menu users will be shown 10 seconds of every location included in the application.

The **Bond Now** application is currently available for download to Apple and Android phones on the App Store and Google Play Store. Alternatively, students can use their desktop computers - [Bond Now on Desktop](#).

News from RMIT University

➤ **New Bachelor of Business (Financial Planning)/Bachelor of Business (Accountancy)**

RMIT's double degree is believed to be the only one in Victoria that combines financial planning and accounting to develop the knowledge and capabilities to provide business, finance and wealth advice to individual. While developing specialist knowledge necessary to operate successfully in contemporary business and multidisciplinary environments, the program prepares students to provide holistic and integrated business, financial and wealth advice to the highest level of ethical and professional standards.

Graduates of this program will be a **new type of advisory services professional** who can provide **business, financial and wealth advice** on complex financial products and situations for a diverse range of clients.

The specialised studies in *accounting, financial planning and wealth management* will introduce students to the regulatory and global influences relevant to the financial services industry, and develop their understanding of *accounting, financial planning, financial products, risk management and investment strategies* that are essential to providing financial and accounting services to clients. In addition, students will have the option to undertake a six month internship to apply their technical knowledge and analytical skills.

Current Year 12 students should have the following VCE prerequisites: Units 3 and 4 - a study score of at least 25 in any English (except EAL) or at least 30 in English (EAL), and expect to attain an ATAR of 75 or more.

Career as a Paramedic

Working as an ambulance paramedic means that no two days are ever the same. What a paramedic does can be as varied as *restarting a patient's heart* down to helping solve social welfare issues. Ambulance paramedics are called when people feel they have no other options and are suffering what feels like an emergency to them. An interesting fact to remember when applying to become a paramedic is that the majority of the workload is not lights and sirens driving to save a patient's life. **This job is more about helping people in their time of need as opposed to being a hero.**
