➤ **'At Monash Seminar Series' 2015**

The annual '**At Monash Seminar Series**' continues into this term! These seminars provide Year 11 and 12 students and parents with an insight into the courses and career options within discipline areas. The seminars are presented by academics in conjunction with current university students and graduates, and are held in various locations across the Caulfield, Clayton and Peninsula campuses. Seminars with the same title have the same program.

DATE	EVENT	CAMPUS
Tuesday 18 August	Theatre, Performance and Music	Clayton
Thursday 27 August	Science	Clayton
Tuesday 1 September	Teaching (education courses offered at the Clayton Campus)	Clayton
Thursday 3 September	Teaching (unique dual sector qualifications offered at the Berwick Campus)	Berwick
Tuesday 8 September	Teaching (education courses offered at the Peninsula Campus)	Peninsula
Thursday 17 September	Engineering	Clayton

All seminars commence at 6.30pm and finish at 8.00pm. Seminars with the same title will have the same program. Exact venue details are available online! Registrations are essential and can be completed online at [At Monash](#) For more information call 1800 Monash.

➤ **The Monash Guarantee**

The **Monash Guarantee** can provide a student with a course even if their ATAR is below the 2015 clearly-in. Students who are *financially disadvantaged, Indigenous Australians or completing Year 12 at a Monash under-represented school* could be eligible for a guaranteed place at Monash – even if their ATAR is below the clearly-in.

The Monash Guarantee is available for a range of identified courses, across all faculties at Monash. For eligible students who have met all course prerequisites and extra requirements, the **Monash Guarantee** provides:

- ✓ a guaranteed offer for courses where selection is based on ATAR only
[Monash Guarantee - ATAR-based Selection](#)
- ✓ a guaranteed offer in courses based on a selection of criteria in addition to the ATAR
[Monash Guarantee - Selection Criteria](#)
- ✓ a reserved place for eligible students and offers will be made to those students whose combined results, across a range of criteria, is strongest
[Monash Guarantee - Reserved Places](#)

Students who are admitted through the Monash Guarantee with an achieved ATAR 90+ OR are an Indigenous student offered a Monash Scholarship for Exceptional Achievement OR a

Monash Scholarship for Outstanding Achievement, will be invited to join the [Vice-Chancellor's Access Monash Scholars \(VCAMS\) program](#), which includes a \$1000 UniStart bursary. **To find out more including details on applying, visit [Monash Guarantee](#)**

➤ **Future Burger**

Future Burger. A burger from the future, while you think about yours.

The **Faculty of Information Technology** is setting up a campaign that encompasses all things around **IT and Engineering**. *How technology is engrained into all parts of our lives and how we strive to make things work better or more efficiently. Or perhaps, make us have to move around less!*

Students will be given the chance to receive a super tasty Mr. Burger and fries, delivered straight to them by a drone at the Open Day. Students are encouraged to register for this exciting experience at [Future Burger](#).

➤ **DoTS and DoHE at Monash**

The **Diploma of Tertiary Studies (DoTS)** offers an alternative entry pathway to Monash should students not meet the requirements for direct entry into a range of Monash bachelor degrees. DoTS is equivalent to first year of a university undergraduate degree, and students can enter directly into second year of destination Monash degrees upon successful completion of the Diploma.

The one year program lets students begin studying towards their Monash degree from day one and is currently offered at our Berwick and Peninsula campuses. When students apply for DoTS, they will select a preferred stream from *Business, Education or Nursing*. It is this stream that forms the first year of their degree, and determines the Monash destination degree they can pathway into.

To apply for DoTS, students will need to have completed either Year 12 with an ATAR of at least 50, and must also have met the relevant English prerequisite and complete a supplementary form.

Students interested in studying *science, mathematics or related areas*, might like to consider the **Diploma of Higher Education (DoHE)**, currently offered at the Clayton campus, and which provides an alternative entry pathway into an undergraduate course in these areas. Like the DoTS program, this program also lets students begin studying towards their Monash degree from day one. Students will be introduced to a broad range of science fields by completing a sequence of study in two of the following areas: *Biological Science, Chemistry, Geosciences, Mathematics and Physics*. This will allow students gain a foundation in key scientific principles while determining their future major area of study.

All important details about both the **DoTS** and **DoHE** including prerequisite information can be found on at [DoTS and DoHE](#)

➤ **Business Open House**

Monash will be offering students the opportunity to be one of the first to visit its *new city* location at the **Business Open House**.

Date: Sunday 9 August 2015
Time: 11.00am – 3.00pm
Location: 271 Collins Street in Melbourne

Find out more by visiting [Business Open House](#)

Aspire – Early Admissions Program at La Trobe

The **Aspire** program is aimed at recognising students who are or actively involved in the positive impact of *community service* and non-academic school commitments, such as leadership, sport or cultural activities. Applicants for this program will be assessed on these criteria and not just ATAR scores. The assessment criteria will include –

- A recommendation by the Principal (or their nominee)
- A written statement where the student indicates the activities they have been involved in, the impact these activities have had on their community, and how regularly they participated

Types of volunteering include –

- community service or community group activities
- religious/cultural group activities
- participating in social justice groups or a school leadership role
- being involved in sport, the performing arts or charity fund-raising group activities

Early Achievers' Program at ACU

As a Year 12 student, do you demonstrate leadership in your school or workplace, coordinate a community initiative, volunteer in a local cultural, sporting or religious group or provide care to someone in need?

Australian Catholic University's Early Achievers' Program (EAP) recognises a students' potential to achieve great things. Gaining a place in the desired course is dependent on meeting the University's minimum entry requirements and subject prerequisites, regardless of success in the program.

The program operates at each of the University's six campuses nationally. **Applications open on Monday 10 August 2015 and close on Monday 19 October 2015**. Offers will be made by

the end of November 2015.

Students are encouraged to start gathering their required documentation now to submit with along their application. Failure to meet all the requirements for the EAP will result in not being considered for the program. **To find out more and/or to apply, visit [Early Achievers' Program](#)**
