

Dates to Diarise in Term 4

- Year 12 VTAC late applications – throughout October until 6 November

News from Swinburne University

➤ Bridging Maths Course - MathsLink

MathsLink is a bridging program for students who do not have VCE Mathematical Methods (CAS) or Further Mathematics. Students can consider [MathsLink: Methods](#) or [MathsLink: Further](#) to meet the maths prerequisite for selected Swinburne courses in:

- aviation
- computer science
- education
- engineering
- health science
- science

➤ Extra-requirement for the Bachelor of Information Technology

A reminder to current Year 12 students who have applied for the **Bachelor of Information Technology, VTAC code 3400234311**, must complete a request for an [interview](#). The form can be found at the following link - [Bachelor of Information Technology - Interview](#) by the end of October 2015.

Law Scholarships

Introduced in 2012, the **Thomas More Academy of Law Academic Excellence Scholarship** reflects ACU's commitment to academic excellence in the undergraduate law program.

Valued at \$20,000 each, the scholarships are paid as one instalment per semester for the duration of the course.

- \$2,500 per semester for a four year program
- \$2,000 per semester for a five year program

See full details on eligibility and how to apply at [Law Scholarships](#)

Photographic Imaging College (PIC)

Photographic Imaging College (PIC) was established since 1982 and is based in Preston at the Northern College of the Arts & Technology (NCAT). The college offers both a ***Certificate IV in Photo Imaging, and a Diploma in Photo Imaging.***

Students studying at PIC get a holistic education on photography and a kick start within their photographic career. PIC gives students a hands on technical approach to both analogue and digital Photo Imaging, and students leave PIC with an accomplished folio to present for future employment or tertiary education within the Arts/Photography.

This course is perfect for domestic VCE students:

- Who are passionate about Photography
- Wanting to build a Folio to receive employment within the industry
- Wanting to create a Folio to continue their education in the Arts / Photography
- To encourage disengaged students to find their creative outlet.

PIC is government funded, so both the Certificate IV & Diploma have no Tuition Fees. There is a materials levy which covers all consumables, film, equipment, studio hire, colour and Black & white darkrooms:

- 1st year under 21 \$2950 (Certificate IV)
- 2nd year under 21 \$3250 (Diploma)

Students who require more information are encouraged to contact PIC at admin@pic.org.au, or view the website at [Photographic Imaging College \(PIC\)](http://Photographic Imaging College (PIC)).

What's the Right Health Job for You?

Are you considering a career in the health industry but are undecided about the range of careers you may be suited to?
