September Holiday Programs

Are you interested in working with animals? The **RSPCA** has a number of programs for students aged 15 – 18 years who are considering working in the animal industry or simply have a love of animals. **More information about each program is at** <http://www.rspcavic.org/services/education/holiday-programs/youth-holiday-program>

GAP Year in USA

Australian au pairs have a great reputation of being outgoing, energetic, and have great childcare experience. This is why they are highly sought after by US host families!

Some of the benefits of an au pair placement with a US host family:

- Return flights from Sydney to the USA
- Basic Insurance Coverage
- Your room and board will be provided by your host family. This includes all meals.
- You will receive a weekly stipend of US\$195.75. As your living costs will be covered; this stipend will be your pocket money!
- You are entitled to 2 weeks paid holiday during your au pair exchange, as well as an additional month to travel the USA once you have completed your au pair experience

To find out more, students might like to attend an **Information Session**:

Date: Saturday 20 September 2014

Time: 10.00am

Venue: Box Hill Library, 1040 Whitehorse Road in Box Hill

Visit <http://culturalcare.com.au/> for more information and/or to register to attend!

Medicine, Dental Surgery and Physiotherapy

At the University of Melbourne, The **Doctor of Medicine**, **Doctor of Dental Surgery** and **Doctor of Physiotherapy** have very specific prerequisites which must have been completed prior to commencing these graduate programs. Students considering applying for one of these courses and wanting to make sure that their undergraduate degree does include these prerequisite subjects and that they are approved by the University of Melbourne should visit <http://sc.mdhs.unimelb.edu.au/prerequisites#how-do-you-assess-subjects> to find out more!

Moorabbin Flying Services

Moorabbin Flying Services (MFS) formerly Moorabbin Flying School, was established in 1993 by a group of professional pilots with many years of aviation and business experience. The goal of MFS is to provide excellence in flight training and specialist instruction to every student pilot.

Year 12 students who keen on a career as a commercial pilot might like to apply for the **Certificate IV in Aviation (Commercial Pilot Aeroplane License)** through VTAC. The course code is 9430194042 (CSP) and 9430194043 (IFP). **For more information visit www.mfs.com.au**

New Courses at the University of New South Wales (UNSW)

As these degrees were added after the publication of the 2015 Experience UNSW guide and the 2015 UAC guide, it is possible students may not know they are offered.
