

Japanese Exchange Program 2018

Rosehill SC is **seeking host families** for Japanese students from our sister school **for 10 nights from Wednesday 25th July to Saturday 4th August.**

There will also be the opportunity for Rosehill students to visit Japan in 2019.

- Japanese students are here to learn English so **Japanese language skills are not required**. Students studying Italian can also host.
- **Host families will be paid \$ 250** to contribute towards costs and weekend activities.
- Japanese students **do not need their own room**. As long as everyone is happy the students can share a room with your child. Boys will host boys and girls will host girls.
- **Weekend activities can be as simple as shopping** with friends or watching your child's sporting match on a Saturday.
- **Encourage a friend to also host** and you can participate in activities together.

If you are interested in hosting a student, please complete the information on the slip below and return to the Administration Office or email Ms Harbourd at harbourd.nellie.n@edumail.vic.gov.au

If you would like additional information, please do not hesitate to contact us.

Nellie Harbourd (Kogakkan Exchange Co-ordinator)
Takanori Hayakawa (Languages Co-ordinator)
