

## Rosehill Secondary College Parent Payment Arrangements 2021

November 2020

Dear Parent/Guardian,

Please find attached the fee schedule for **Year 8**. The Rosehill Secondary College School Council makes every effort to keep the cost of items and activities to a minimum and affordable for all parents and to this end, has completed a review and approved the voluntary contributions and parent payment charges for 2021. These parent contributions will assist the school with meeting its budgetary requirements and continue to give it the ability of offering a wide range of quality academic and co-curricular programs which meet the diverse needs of our students. The voluntary financial support ensures the College has the materials and facilities to run the programs successfully and that the provision of student wellbeing and support programs, major and minor upgrades to facilities, grounds, and, classroom technology is made available for the benefit and engagement of all our students.

### Financial Support for Families

Rosehill Secondary College understands that some families may experience financial difficulty and offers a range of options to support families in meeting the costs of their children's education, including:

- Claim for a refund must be in writing and, depending on type of refund, may also require a medical certificate (ie camp).
- All claims must be addressed to the Business Manager who will consult with all stakeholders to ascertain whether a refund or partial refund is applicable.
- If the family has outstanding charges with the College, consideration must be given to the refund being offset against monies owed.
- Refunds will be made via Direct Credit or a credit placed on the family account if under \$10.
